Miss Goat: It's a fine day today. Let's go to the park, OK?

Mr Camel: Good idea.

Miss Goat: I'm 1.1 metres. How tall are you?

Mr Camel: I'm 2.4 metres. Wow! Fresh leaves! You see, I'm taller than you. I can get the leaves.

Miss Goat: Me too! I can jump. I can get the leaves too!

Mr Camel: Haha! You can't.

Miss Goat: I'm shorter than you. But I can eat the fresh grass in the hole. Can you?

Mr Camel: I'd like to have a try!

Miss Goat: Haha! You can't.

Mr Camel: I can eat the fresh leaves on the tree. I'm better than you.

Miss Goat: I can eat the fresh grass in the hole. I'm better than you.

Tree: OK! I'm older than both of you together. I think Miss Goat is shorter. But you can get the grass in the hole. Mr Camel is taller. And you can get the leaves on the tree. Every dog has its day.

Dylan and the aliens

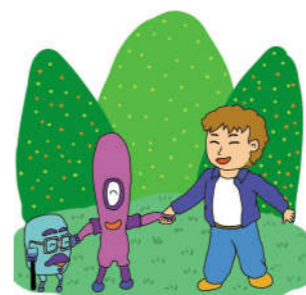

Dylan is a 10-year-old boy. He is short and fat. He is 1.45 metres. He goes out with his father. His father is an archaeologist(考古学家). He studies dinosaurs.

One day, Dylan plays in the forest. He sees a UFO in the sky. He is excited. The UFO flies down and lands on the grass. Dylan wants to see it, so he runs to it.

The door opens, and two aliens come out of the UFO. One is wearing purple clothes. He is taller than the other. He is younger. And his arms are longer than his legs. He has a very big eye. The other alien is older. He wears a pair of glasses. And he is shorter than the first one. His arms are shorter, too. Dylan is surprised to see the two aliens.

Dylan tries to say something with the two aliens. But they can't understand him. Finally, Dylan has an idea. He will take the two aliens to his father. On the way home, Dylan plays with the two aliens. They become good friends. What a fun day!

[Have a try] Read and judge with "T" and "F".

- () 1. The alien in purple is shorter than the other alien.
- () 2. The alien with glasses is older.

Why does our hair turn white when we get older?

Our hair has a kind of pigment (色素). It is called melanin (黑色素). Melanin gives our hair a black colour. When we get older, the pigment cells die. The hair has less melanin. It turns white or gray.
